Rocky Railway is filled with incredible Bible-learning experiences kids see, hear, touch and even taste from the safety of their own homes! Scency-Fun Gizmos™, interactive games, cool Bible songs, and tasty treats are just a few of the standout activities that help faith flow into real life. Plus, we'll help kids discover how to see evidence of God in everyday life!

### Before VBS Starts:

On Wednesday, July 22nd, 5:00 pm-6:00 pm families will pick up their VBS packet of hands-on materials (one per registered child).

### During VBS Week:

**Live:** Our virtual VBS will have a daily live Zoom at 9:00 am where children and their families can experience the introduction to the day, learn the engaging songs and dance moves, share their God Sightings and hear all about the fun they will experience that day. The Zoom will also be recorded for those who cannot attend at 9:00 am.

**Pre-recorded:** The other stations will be shared via pre-recorded videos caregivers can watch with your child. But the fun doesn't stop there! Caregiver and child will then play the game, make the Gizmo, and engage in discussion questions together to make the most out of the day! You can even use the snack list we will provide the week before to make a daily snack to go with the theme! Kids and caregivers can do these videos on their own time throughout the day, expecting to spend up to 2 hours all together.
