**Your reflection paper must include explanations of the following:**

Name and location of the place you served

Type of service(s) provided at that location

Date and time you actually worked

What were your duties during service?

Who were the people that you served (directly or indirectly)?

Interesting notes about your service (people you met, the work that you did, something that stands out)

Would you choose to do this type of work again; why or why not?

Reflect on your own spiritual journey or your relationship with God and how it relates to your service?

Why are some of the people that we serve disadvantaged; Are there any economic, political, cultural or social reasons?
