Duties

- If you are scheduled with a family new to the ministry, kindly train them in.
- Use the premixed lemonade (1-2 gallons stored in the fridge) or the big cooler. Do NOT mix additional.
- **Before** your mass, check that there is enough coffee left over or started (30-40 cups) for your mass. Use the coffee recipe on the inside of the upper cabinet door right of the sink for the right strength.
Approx. 2 c grounds make 40 cups coffee; 3 c grounds make 60 cups coffee
- Do not overfill or overflow the coffee pot. Do not discard the leftover coffee and lemonade.
- If you clean the coffee pot, do not immerse the pot in water.
- Count and seal the donations in an envelope and take it to the office or an usher.

House-keeping Reminder: Keep the flu bugs out. Let's keep the kitchen sanitary by wearing gloves or using a napkin when handling the donuts and insisting that the parishoners touch only the donut they intend to take. If you empty the lemonade cooler, always rinse it. Bleach the cooler and spigot if it needs it.

Timing NOTE: Please do NOT serve donuts before the mass is over (when the presider says 'The mass is ended. Go in peace to serve and praise the Lord.')
